

Providing Better Transparency

CompassAVL

CompassAVL provides transparency to the public on operations, enabling the operations team to spend time getting work done rather than spending time taking calls and obtaining credit for the work done on a day-to-day basis

Why Provide the Information?

- ✓ Improve transportation safety
- ✓ Community engagement and education
- ✓ View multiple workflows on different webpages plowing, sweeping, solid waste, mowing
- ✓ Educate citizens on organization on accomplishments
- ✓ Promote career opportunities for new potential staff
- ✓ Reduce complaint calls
- ✓ Reduce media questions
- ✓ Enhance agency image
